Results Chris Delivers

“Chris is the real deal — she walks her talk, she’s got the goods, and she energetically delivers. Saddle up and take a ride if you are looking to inspire your audience.”

– **Jeffrey Hayzlett, Bestselling Author and Host of C-Suite with Jeffrey Hayzlett on Bloomberg Television**

“Chris’s exit planning seminar provides invaluable information for business owners who are preparing to protect and extract the wealth from their privately held business. She is a dynamic presenter able to deliver her points in a simple, but thorough way.”

– **Neil H. Livingston, PhD Wraith Technologies, LLC**

“Chris delivered a customer service keynote for our annual meeting that went above and beyond hitting the “mark.” Her enthusiasm is infectious! She presented clear concepts and actionable steps to our team in a very dynamic and engaging fashion that will surely elevate our customer service and keep us at the top of our industry.”

– **Chuck Jeffries, Kansas Asphalt, Inc.**

“If you’re looking for an energetic speaker who delivers fresh, on-trend ideas and actionable plans — Chris is for you! She has presented numerous sessions focused upon increasing sales for ASI members at our large national trade shows that impart powerful information and provides our audiences with the tools necessary to achieve greater success.”

– **Nicole M. Rollender, MASI The ASI Show**

“Chris delivered a customer service keynote at our corporate retreat, and she was an absolutely perfect fit. Her charisma, knowledge, humor, and motivational personality captivated our audience and her presentation provided valuable take-aways that were immediately implemented by our team.”

– **Britney McNeilly, Enquiron**

Chris Vanderzyden is the leading educator on the life cycle of a business — from launching a business, to increasing value through exceptional customer service and sales, to strategically exiting to extract the wealth created.

She is a sought-after keynote speaker, media contributor, bestselling author of *7 Steps to Entrepreneurial Victory* and guest-lecture for Harvard’s Entrepreneurial Program.
